Hi Rob,

I'll send you our comments on this either today or tomorrow, but we have a quick question -- what happened to Addendum B? This is Addendum C, and the Removal Area additional delineation QAPP is Addendum A. The SOW doesn't provide clarification on this.

Thanks,  
Stephanie

Stephanie:

Attached is the RM 10.9 Data Gap QAPP Addendum C as a Word document (text only) and a PDF (text and appendices). The QAPP has been loaded to the EPA's LPR SharePoint.

Please contact Bill or me with any comments.
